

# *Join a team shaping the future of a Caribbean paradise*

# *Director of Risk & Safety Management*

## **About the Role**

Director of Risk and Safety Management is a critical role in safeguarding a high-end, internationally recognized resort and to develop and implement effective security strategies, integrated risk management, HSE and emergency preparedness and protocols to protect the company against threats, theft, vandalism and other security risks. This involves conducting risk assessments, identifying vulnerabilities and devising appropriate security measures and to oversee the island's security team and centralize efforts. This position requires a strong adaptability to island work life and a remote environment, including resilience and business acumen, with a specific focus on maintaining logistics and operational continuity.

## **Performance Metrics:**

- Implementation of risk management policies and protocols
- To streamline the security programme to safeguard the property.
- To safeguard guests, visitors, employees and the property when in the premises.
- Analyse the various problems confronting the Security Department & develop solutions.
- Design & develop techniques to prevent or minimize waste, theft or pilferage.
- Adhere to the Standard Operating Procedures & ensure the same by the security team.
- Any matter which may affect the interests of the resort should be brought to the attention of the Management.
- Constant update on the area events that may affect security

## **Preferred Qualifications and Skills:**

- Prior experience of working with luxury hospitality organizations.
- Relevant experience in risk assessment, safety procedures and standardization.
- Strong reporting and communication skills with potential military experience are preferred.
